Altona Minor Hockey

2026-2027 Programs

Altona Minor Hockey (AMH) has programs for all ages and skill sets:

Learn & Develop Skating (ages 4 plus)

AMH has partnered with the Altona Skating Club's Canskate program to teach kids (ages 4 plus) to skate with Skate Canada certified coaches. Canskate is a fun way to learn and strengthen skating skills that transition to strong skaters playing hockey. Sign up for 1 or 2 days per week.

- Monday & Thursdays from 4:15-5:00 PM (tentative times)
- Only a helmet & skates are required.
- If kids/parents want to move from L&D to U7 hockey (full equipment with pucks), let us know. The decision to move players to U7 will be based on the development of their skating skills and their commitment to attending. Prorated fees are applicable.
- We encourage participation in both L&D and U7 hockey.

U7 – This program focuses on having fun and teaching basic hockey skills. Before registering, your child should have the ability to skate the length of the ice forward, skate the width of the ice backward, and can get up on their own. Players practice twice a week and dress in full equipment. They will play some cross-ice exhibition games and tournaments as well. Program to start in October.

U9 – Half-ice games, PVMHA league play, and tournaments as arranged.

U11, U13, U15, U18 – Full ice games, PVMHA league play, and tournaments as arranged.

Females - Opportunity to single or double roster for female league for U9-U11. U13, U15, U18 Single roster. Teams may combine with another community.

Hockey Night in Altona

In addition to standard weekly practice time Altona Minor Hockey has created a Player Development **Skill Night** every **Tuesday** throughout the season. This is one of the two regular practice slots for these age groups during the week.

Ice Schedule (tentative times):

4:15 - 5:15 pm	U7	6:30 – 7:30 pm	U11
5:15 – 6:15 pm	U9	7:45 – 8:45 pm	U13

Program Details

- 30 minutes of power-skating with a certified instructor.
- 30 minutes of skill stations with all coaches from the age group on the ice.
- Skill Stations are designed to develop Hockey Canada Age-Specific Core Skills.
